District 230
Foundation

Our Support. Their Success.

Partnership Program

Through annual giving, our Community Partners are increasing their visibility and reinforcing their commitment to our future workforce. The funding they provide goes directly to grants for our students and teachers.

ALL Partnerships include:

- Recognition during D230 Foundation events
- Listings in event PR/Promotion
- Links to D230 Foundation website and e-newsletters
- Features on D230 Foundation social media pages and school video displays
- Grant Updates
- Additional benefits per level

- Admission for 10 to selected event
- Partnership appearance at selected event
- Option of Title Sponsorship/ dedicated signage at event
- 30 second video spotlight for social media
- Featured Article in D230 Foundation newsletter

Partnership Impact

Students leading, designing and collaborating...

“This grant has allowed our students to take part in several post secondary preparatory experiences including Curriculum Development. We are looking forward to attending community events and our students are interested in facilitating more student-led enrichments to shed light on the benefits and opportunities that this program has afforded them.”

~Lakeisha Kizer
